5. Was the course relevant to your clinical work?			✓	✓	
6. Did readings demonstrate a breadth & depth appropriate to post-graduate learning?					✓

Please complete the follow questions and grade the INSTRUCTOR according to the scale.

Note: The scale runs from 1 to 5 with 1 = Unsatisfactory, 2 = Satisfactory, 3 = Good, 4 = Very Good and 5 = Excellent.

Evaluation of Instructor	1	2	3	4	5
7. Did the instructor encourage a dialogue?				✓	
8. Rank instructor's style:				✓	
Presentation of material?				✓	
Classroom atmosphere (openness)?				✓	
9. Was the instructor able to listen to different perspectives from his/her/their own?					
10. How does the instructor integrate course material in clinical work?					
Autobiographical writing of emigrés deal with trauma, loss, fear, alienation as well as liberation from the old, the challenge of the new, and satisfactions of self re-invention and mastering chaos. Sociological material dealt with trauma					
11. What might improve the course in the future?					
loss, challenges and societal provision for successful transitions for emigrés.					
12. Other comments:					
I always like to know the instructor's investment in the material, which became clear as the course progressed but might have been quite meaningful if stated from the onset.					

Submit the completed evaluation to the Program Coordinator after the last class session of the semester.

Blanton-Peale

Institute & Counseling Center

Evaluation of Course and Instructor (Fall 2020)

Date of Evaluation:	02/13/21
Instructor Name:	Klara Naszkowska
Course Name:	"We Reugee" Jewish Women

Please complete the follow questions and grade the COURSE according to the scale.

Note: The scale runs from 1 to 5 with 1 = Unsatisfactory, 2 = Satisfactory, 3 = Good, 4 = Very Good and 5 = Excellent.

Evaluation of Course	1	2	3	4	5
1. Were the goals and objectives of the course met?				4	
2. Was the syllabus organized and clear?				4	
3. Was the bibliography pertinent and helpful for further/future reading?				4	
4. Were the course assignments (Papers, tests, presentations) fair in expectation?				4	
5. Was the course relevant to your clinical work?				4	
6. Did readings demonstrate a breadth & depth appropriate to post-graduate learning?				4	

Please complete the follow questions and grade the INSTRUCTOR according to the scale.

Note: The scale runs from 1 to 5 with 1 = Unsatisfactory, 2 = Satisfactory, 3 = Good, 4 = Very Good and 5 = Excellent.

Evaluation of Instructor	1	2	3	4	5
7. Did the instructor encourage a dialogue?					5
8. Rank instructor's style:				4	
Presentation of material?				4	
Classroom atmosphere (openness)?					5
9. Was the instructor able to listen to different perspectives from his/her/their own?					5
10. How does the instructor integrate course material in clinical work?					
The course material was very clinical with various concepts of psychoanalysis theories. The material was historical/clinical.					
11. What might improve the course in the future?					
In my opinion there is no need to improve on this course.					
12. Other comments:					
This was a very interesting course, stimulating, engaging course-open for dialogue. The instructor was very informed in subject matter.					
I really enjoyed the course.					
Eevaluation is submitted in the month of February 13, 2021					

Submit the completed evaluation to the Program Coordinator after the last class session of the semester.
